II. SPACES AT YOUR DISPOSAL

1. LE GRAND SALON

The Grand Salon is a place out-of-time with the modern world where every moment is unique. It's the preferred venue for major events. It makes you enter a **timeless universe**, to give your events a unique character.

It opens onto the Gardens which widens the possibilities of receptions all year long.

As well as lunch in the afternoon and **confidential** at night, the place exceeds the labels. Midway between the dazzling American way Dorothy Draper and the rigor of the seventies, the references are precisely dosed, in a game of contrasts masculine-feminine.

The cocktail menu is the result of a quest for excellence. The classics have been re-visited to choose natural and fine products.

Accommodation capacity:

Seated: 40 people

Cocktails: 60 people

2. LE TRÈS PARTICULIER

Le Très Particulier has been designed in three harmonious spaces: the interior living room, an elegant glass roof and the adjacent garden. The custom sound system ensures a pleasant and continuous musical experience.

Dinners, cocktails, dancing evenings, the atmosphere is as light as it is refined.

It can also host your business meetings during the day.

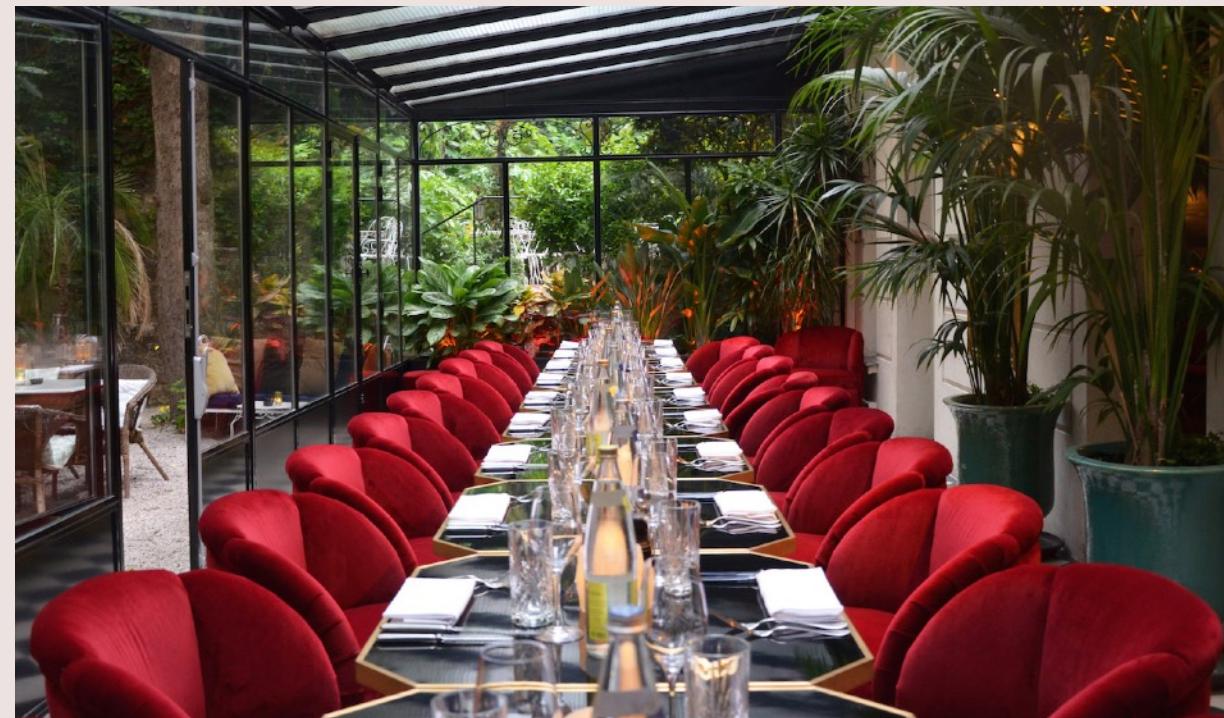

Speciality of the House, **our cocktails** are custom made. Our preparations are worked with the idea of a fusion between gastronomy and mixology. **Craftsmanship** is a masterpiece of the cocktails presented; syrups, reductions, decoctions, as well as the ageing of cocktails in oak barrels are made on site with passion.

The glass roof is a space with a typical **Parisian charm**. It offers a beautiful natural light during the day and a **romantic** setting after dark.

Accommodation capacity:

Seated: 45 people

Cocktails: 60 people

3. OUR FIVE SUITES

Hôtel Particulier Montmartre features five Suites (between 35m² and 85m²), spread across three floors. Each has its own distinct decoration, filled by artists carefully chosen.

Unusual events can also be held in our suites; We have a suite overlooking the rooftops of Paris and the **Eiffel Tower**, a baroque suite, another contemporary, a **hanging garden** or a **cabinet of curiosity** sensual materials.

The Suites can be reorganized in the spirit of **boudoir rooms** or **ephemeral bars**.

Accommodation capacity:

Our suites can accommodate 5 to 20 people depending on the nature of the event.

4. THE GARDEN

The gardens of the Hotel Particulier Montmartre extend over 900m², which ranks them among the most important of the City of Light. Designed by Louis Benech, a renowned landscaper from the Jardin des Tuileries, they are a rarity in Paris, an incredible setting that will delight anyone who passes the doors of the Hotel. Enter a vegetable paradise in which silence is interrupted only by the singing of birds or the beating of petanque balls of the neighboring land.

The gardens are spread over two levels. The first, in front of the Hotel and the Grand Salon, consists of three alleys adorned with greenery throughout the year. The second is on the lower floor dedicated to the bar Le Très Particulier. Sit near plants with delicate scents, all your senses are awake, you are in the countryside in Paris!
